The Chinnock Chimes

April/May 2025

Trophies up for grabs.

Now's the time to get down and dirty in the garden.

For the past few years I've won the trophy for the most points in the Fruit and Veg section and also the Stoodley Trophy for a collection of vegetables. It's time someone won them from me.

You'll find the classes and the rules in the Show Schedule that's delivered to every house in the village. You can make copies of the entry forms if you need to.

So come on you Gardening Wimps, try to wrest these trophies from my grubby gardener's hands if you dare.

**Come on Punks,
Make My Day!**

Rik Rybicki

This year's Village Show will be held on Saturday 26th July in the village hall, and we hope that everyone who can will enter their creative items into the Show.

We try to make it a fun event for everyone and have classes especially for children. Homemade cakes with tea or coffee will be available for you to enjoy for your refreshment.

The following are the Handicraft, Art and Photographic classes for this year.

Handicraft

- 44 - Any knitted or crocheted item
- 45 - An item of needlework, tapestry, cross-stich or embroidery
- 46 - Item of woodwork, maximum size 30 x 30 cm
- 47 - You made it, let us see it

Art

- 48 - Seascape
- 49 - Tea for 2
- 50 - Farming

Photography (maximum size A4)

- 51 - Portrait
- 52 - Tree/trees
- 53 - Vehicle/vehicles

EDITOR

Hello everyone. Well, Spring has officially sprung and many folks now will be getting their gardens into shape for what we hope will be a warm and sunny Summer, climate change allowing of course.

This is also the time to start planning what you might be interested in growing with our Village Show in mind, whether it be vegetables, fruit, shrubs, pot plants, flower arrangements - garden or wild flowers. All entries will be welcomed and we hope to have a high turnout for a fun afternoon. Copies of the Show Schedule with all the details you need will be arriving through your letterbox soon.

Hope to see you there!

The deadline for the next issue is May 11th.

Best wishes
Angela

PLANNING AND PLANNING APPLICATIONS

Planning App: 24/01790/FUL The erection of 6 dwellings and garages on land to the rear of Portman Arms.

An email from a resident was received relating to this planning application highlighting that they were unhappy with the design and layout of the plans and therefore did not support this application. The Parish Council agreed with their comments, and while they are happy to see some small development to improve the current 'eyesore' of a carpark, a resolution was passed to provide a 'neutral' response. (Proposer: Cllr Cox, Seconder: Cllr Wetherell).

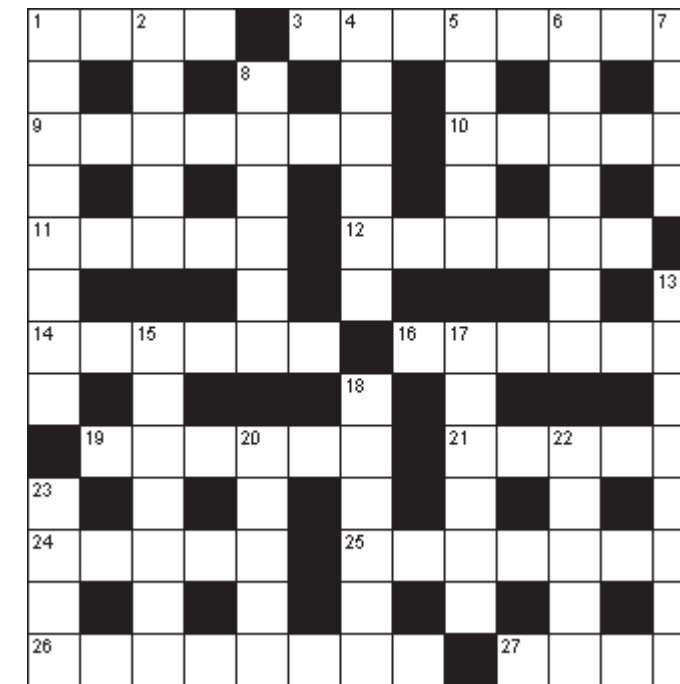

There were no planning applications received after publication of the agenda.

Cllr. Goodes has continued to chase up Planning enforcement regarding the section 215 notice for the Woodentop Inn. He has also contacted the owner of the Woodentop regarding the overall condition of the plot, sharing the view of Parishioners that it is an eyesore and asking for it to be improved.

East Chinnock Gardening & Countryside Club

Community Clubs are long established part of our rural landscape. Yet there is a shift in focus to linking through social media and we see diminishing numbers in attendance. We persist because there are real benefits of community and gardening. To welcome residents we serve tea, coffee and cake so you can chat to Gardening Club members and learn more of how the club helps you get the most from your garden with shared gardening knowledge, plants and over the year, expert speakers.

Review

The more obvious part of the club are the monthly meetings. In February, Ben Garner, of Dorchester based Water Artisans, was a stunning speaker. His company has designed and built natural swimming pools, ponds and water features around the country. Each year they are invited to convert garden designers' ideas for water features at Chelsea Flower Show that are wonderfully complex and spectacular. It was a treat to view his work and enjoy his enthusiasm and expertise. This was a world class speaker.

Coming up:

April 6th, Saturday 10am -12noon (or any part of)- working bee at Portman Park , simple weeding and planting to keep this public space looking lovely.

April 14th, Monday (not 21st as Easter) 7 for 7.15 start - The speaker will be Brian Hesketh - on growing vegetables in your own garden without chemicals, so you can enjoy eating tasty and healthy veg.

May 19th, Monday - 7 for 7.15pm start - is the PLANT, SEED & Tool SWAP. This evening is open to all village residents to come along and obtain some plants for their garden. You are welcome even if you don't have anything to swap, just come and get some young plants already to grow on for fun.

We also have a **knife and tool sharpener on site** at very reasonable rates.

June (date TBA) offers a summer treat to view Three Gardens in East Chinnock. Then sit in the sunshine and joy of an English Country Garden and have a cream tea.

You can see we are an active club. Clubs need members so why not come along to one of the meetings (visitors £3) and consider joining in. The busiest people can benefit most from time in the garden as the body and mind engage in the simple pleasure of seeing plants grow into flower or yummy vegetables. Gardening is a free activity that parents and children can share. You are welcome to come along and share the experience of garden club members. The location for talks is the Village Hall, East Chinnock.

The club is kept going by a small number of people who volunteer to be on the committee and we value fresh input from those who can contribute a few hours in a year.

On Sat April 6th we recommence the maintenance of the planter beds in Portman Park and the attention needed to encourage the plants established last year which are clambering up the front mesh fence. This will transform the fence into an attractive green and fragrant hedge as they grow.

Review

March 17th The speaker was Ian Hallet, a local show judge talking about the history and future of Village Shows. There is a community spirit in growing and showing vegetables and flowers as a vital part of village life. And this contributes to being sustainable in a world of climate change.

This was a fascinating talk where Ian showed us just what attributes and faults on the various vegetables and flowers that usually are on show are, what the judges look for: the defects to avoid, to stick to the exact requirements stated on the entry form and other tips on how to achieve points.

Angela

PORTMAN PARK coming alive
March 3rd 2025

Diane Summer

the club's nadir came during Covid, when our financial future was in the balance and consideration was given to just playing village friendlies. However, we stuck at it and with the building of the Jubilee Pavilion (and a slight name change reversal!) we saw an opportunity to re-launch the club, as a family based community hub. There are now thriving junior and women's sections, the WC&H Panthers in the mid Wessex Sunday League, alongside our senior Adult team in the Somerset Cricket Saturday League. We are also a host for Super 1s, disability cricket, through the Somerset Cricket Foundation. Our mission statement, Cricket For Everyone, For a Lifetime is truly being lived out.

As mentioned, family is important to us, and the Knibbs family name etched in the history of the club. So, in this important year we are fortunate to have one of our 'founding fathers', Barry Knibbs, continuing in his role as our club president (and ground guru).

As part of the Anniversary celebrations we will be hosting a 'Cricket Weekend' over 10th -14th July, with more details to follow. As always, we encourage everyone to support us and get involved whether that is playing, volunteering, sponsoring or becoming a social member to simply enjoy the cricket and good company.

Village Hall Hiring Charges

The increase in electricity charges for the hall have resulted in the Hall Management Committee having to increase the charges to hirers. We are still one of the cheapest halls to hire.

New charges as from Oct 1st 2025

Oct 1st - March 31st £10 per hour

April 1st - Sept 30th £8 per hour

The increased winter rate is to cover the months when more electricity is used.

PLEASE take care to ensure that ALL the heating is OFF before leaving the hall

Village Hall Crockery

Quite a number of white pudding bowls are missing. Could users of the hall please check in their cupboards in case any have found their way there. This can easily happen if people take leftovers home after a village soup lunch or other social event. No penalty!

BOOKS!

There are books available in the Village Hall which are free for you to take or borrow whenever the hall is open.

There are 2 Table-Tennis tables available at the Village Hall

All you need to do is book the hall, bring your friends, bats and balls along for a fun session.

West Coker & Hardington CC celebrating 50 years

There is a great picture in our Halves Lane clubhouse of a Hardington Mandeville cricket team dating back to 1897, but sadly there are no records from that era, so our story leaps forward to 1975 when the club was re-established over a few pints at The Mandeville Arms. As this was partly rivalry in response to

The Royal Oak down in Hardington Moor fielding a side, it was fitting that Charles Hooper (then landlord of The Mandeville Arms) was the club's first President.

With no home ground, apart from occasional use of The Royal Oak's field, all the early fixtures were away and as the team grew in numbers and strength, the need for a home ground became a priority. Passports were obtained and in 1977 a delegation headed up and over the ridge to sound out West Coker about use of their recreation ground at Halves Lane.

Permission was granted and then began the hard work of producing a 22 yard strip of grass that could pass as something resembling a cricket wicket, which, after a few years of hard work became an established square. In 1982 an army hut from Lufton was erected as a purpose built pavilion, with changing rooms and showers added shortly after.

Competitive cricket was initially played in The Frome Valley mid week league but the growing number and quality of playing members needed more challenges and so in 1980 Douglas Gall and Tony Hobson went to work forming the Sunday Mid Wessex Cricket League, which has since continued to flourish and grow with our Panthers joining this season.

A very successful youth section was formed in 1982, nurturing players for future senior sides and the following year we joined the Somerset Cricket League, bringing league cricket to Halves Lane for the first time. West Coker was incorporated into the club's name in recognition of the support given by the village during the formative years.

Five promotions in 9 years through the 90's, led to probably the club's most successful season in 2001 with promotions to Mid Wessex League Div 1, Somerset Cricket League Div 2 and winning the Frome Valley Cup. Over the years there have been many memories made and stories turned into bar folklore, none more so than when a star studded Somerset side played at Halves Lane in XXXX, with a young Stu Knibbs smashing Andy Caddick through the covers for four, on the way to victory!

Both fortunes and playing numbers have fluctuated over the years, which is symptomatic of village cricket nationally, and

Review

The WI had a visit from our local PCSO (Police Community Support Officer) for the Crewkerne Rural area, Caoimhe Hickey, at our March meeting which was most interesting.

Caoimhe (pronounced "Queever") first showed us the stab-proof vest she has to wear and the equipment it housed including colour video equipment, a radio, torches and notebook. The vest looked big and cumbersome, and it weighed 14lb which needed to be worn at all times, including when chasing and pinning down shoplifters! The vest is made of kevlar, a strong, heat-resistant synthetic fiber.

Caoimhe loves her job of 19 years which is just as well as she starts work at 6am and works long hours. As a PCSO, the role is a key liaison point between local communities and policing. Very much a modern-day "Bobby on the beat", PCSOs provide a visible, accessible and approachable uniformed presence in the community to offer reassurance, defuse situations with threats of conflict, improve confidence and trust, gather information and foster good community relations.

Her role involves visiting schools and talking to children to try to educate them and encourage respect for the police; dealing with shoplifters (sadly an all-too-often occurrence); holding 'beat surgeries' where you can meet to discuss any concerns, and dealing with burglaries, which in our area tend to be more rural and farming related e.g. theft of agricultural equipment and even sheep or cattle. Her top advice for small farms or smallholdings was to get CCTV and marking equipment with ink that can only be seen with specialist equipment.

The next Beat Surgeries are on Saturday 12 April :

The Heartwarming Story of St. Mary's Windows

Many residents of East Chinnock are familiar with the story behind the windows, but relative newcomers who have not yet ventured into the Church may find the story of interest.

Gunter Anton was an 18 year old prisoner of war, a rear gunner in the Luftwaffe shot down over Southampton. Sent to the POW Camp at Houndstone near Yeovil, like many other prisoners, he was allowed to live and work on a local farm and was sent to Court Farm, East Chinnock in 1945.

He often visited St. Mary's, where he found comfort and help, and prayed for his parent's safety. Before the war, he had trained in making stained glass and looking at the church from the farm, he developed the idea of making a stained glass window.

He returned to Germany in 1948 and with his father, built up a stained glass window making business. He returned to East Chinnock in 1962, bringing the beautiful window in the South wall of the nave, followed by the North Sanctuary window in 1967.

In 1969, he sent the glass for several more windows ahead, which was impounded by HM Customs & Excise who found it difficult to believe that it was a gift. After its release and installation, Gunter returned again to complete the windows, finally building the glass screen in June 1988. The work took 26 years, given as a thanksgiving for a safe return from the war, as an act of reconciliation and an acknowledgement of the kindness and help he received from the people of East Chinnock.

The windows were dedicated in 1989, Gunter died six months later, but as friends in Germany said, it seemed that his life's work was done.
